

# SHUTTLE CAR INSTRUCTIONS

## Step 1

20 minutes before your tour's scheduled start time, drop off your entire party as quickly as possible at the top of the hill, above Lilipuna Pier located at 46-007 Lilipuna Road.

Do not drive down the hill as the road is unstable for vehicles.

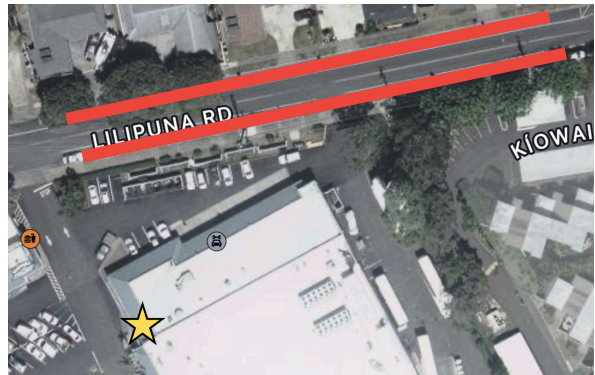

Dropped off participants: remain at the top of the hill until the HIMB guide arrives.

## Step 2

Driver(s) only: park on Lilipuna Road next to Goodyear (indicated in red) and wait in front of Subway (indicated with the yellow star), located between Goodyear and Safeway.

Do not park in the Kāneʻohe Bay Shopping Center parking lot.

## Step 3

The Nissan Leaf shuttle car with a green University of Hawai'i logo will pick up the driver(s) 5-10 minutes before your tour's start time and transport to Lilipuna Pier.
